Waste Heat Boilers, Power Generated by..... 366
Waste Heat Boilers, Theory of, for Malleable Melting Furnaces 349
Waste Heat Boilers, Water Supply for..... 370
Water Supply for Waste Heat Boilers..... 370
Watertown Arsenal, Analyses of Heats Poured at..... 96
Watertown Arsenal, Converter Practice At..... 83
Watertown Arsenal, Equipment of Foundry at..... 76
Watertown Arsenal, Methods of Annealing Castings at..... 88
Watertown Arsenal, Molding Practice at..... 79
Watertown Arsenal, Percentage of Good Castings Obtained at 93
Watertown Arsenal, Open-Hearth Practice at..... 86
Welding and Cutting, Oxyacetylene 555
Welfare Work, Participation in by A. F. A. 18
